

DECEMBER 2018

A MESSAGE FROM EXECUTIVE DIRECTOR WILLIAM SALCEDO

Dear Friends,

I can't believe it's time to say goodbye to another year. With your help and support, 2018 was a success! We met our goal of providing mentoring for 720 kids this year as well as fundraising successfully to support our programs.

I want to thank the school districts that play a major role in our ability to reach kids in need of our services. They refer children to us, work with our case managers to help resolve issues facing our Littles, and partner with us to provide our 13 School Based, Workplace, and College Mentoring Programs.

I can't thank our volunteer Bigs enough for spending a few hours of their free time to talk with their Littles, listen, enjoy new experiences together, and be a consistent positive influence. You make a difference to your Little Brother or Little Sister, our agency, and our community!

Our Board of Trustees also volunteers their time to make BBBSMMC a success. Thank you for guiding our agency by providing your time, talents, professional experience, and by advocating for our programs to others in the community.

Our thanks to all who believe in the potential inherent in every child we serve. 2019 begins yet another new chapter as we strategically grow to help ignite and empower the potential of more kids in Monmouth and Middlesex Counties.

Happy holidays and best wishes for a peaceful and healthy new year!

William Salcedo
Executive Director

With 80 children on our waiting list, we set our sights on matching 10 children from that list before the end of the year. To do that we must raise \$20,000 and receive at least 20 volunteer inquiries. Inspire a child's potential today by donating or inquiring about becoming a mentor. Together, we are defenders of potential!
